- Members must not share their password out.
- If your device is lost/stolen please notify us and we can block and reset your logon details.

ATTENDANCE & PUNCTUALITY

- If a pupil is late for their lesson without prior agreement they will NOT be allowed entry into the class as this disrupts the teacher, other students and puts the late pupil in the wrong frame of mind to get the best out of the lesson.
- If you are absent for more than 25% of your classes then your place at HSD will be passed to another pupil.
- For our students personal growth and development your HSD school has an attendance based ruling. To be considered for examinations, shows, special projects and ultimately to keep your place at the school a good attendance record must be kept across the school year. This teaches the student commitment to themselves, their classmates and their school.
- Before any exams/shows/events the pupil must be present at their last 2 classes to qualify for inclusion.
